

## Ralph Leggio YB 2024 - 3 Bird Derby Series

- 1) The following scheduled races will have a 3 Bird Derby, 150-9/08, 150-9/15, 200-9/22, 200-9/29, 150-10/13, and 200 10/20. A total of 6 races.
- 2) Each Club can ship their birds out of their own club. Birds need to be placed in a separate crate from the combine crates (crates needs to be marked Derby). Please use your split crate.
- 3) The Combine will be paid \$300 for each race no matter how many crates on the trailer. Extra 1800 for the combine.
- 4) The Derby birds will be release after the Combine birds.
- 5) The cost would be \$100 for Capital, \$25 shipping cost and \$10 for other expenses for each race. Plus, any pooling per the race sheet. Hopefully 1<sup>st</sup> place will be at least 600.
- 6) To win the overall average speed prize you must fly all 6 derby races.
- 7) For this to work we need at least 15 shippers, if not we will have to cancel the races.
- 8) The shipping cost for all 6 races (\$25 each race) total \$150, this must be paid during the first race shipped. Also, at the first race half of the Capital must be paid (300), the second race shipped the balance of the Capital money must be paid (300). First race cost 450, 2<sup>nd</sup> race 300. This doesn't include pooling and \$10 expenses. If you only ship the first race you still need to pay the balance of the \$600 capital money, which is \$300. After the first 2 races you ship it will be only cost \$10 a race plus any pooling ( 4 races).
- 9) No Trophies will be awarded unless you want to pay for it. We are looking to decrease the cost of flying these races.
- 10) Drug Test may be applied before or after each race.
- 11) Suffolk and Nassau flyers only!!
